MINERAL WEALTH CONFERENCE

24-25 SEPTEMBER 2025 | KAMPALA | UGANDA

About the Conference

The Minister of Energy and Mineral Development
HON. DR. RUTH NANKABIRWA SSENTAMU
addressing attendees of the 13th Annual Mineral
Wealth Conference

Supported by

Organized by

The 14th Annual Mineral Wealth Conference (MWC) is organized by Uganda Chamber of Energy & Minerals (UCEM) in partnership with the Ministry of Energy and Mineral Development (MEMD).

The conference plays a critical role in creating opportunities for Uganda's domestic and international mining interests since it brings together key policy and decision makers, business leaders, bankers, academia and mining investors from all over the world.

About Uganda's Mineral Sector

Uganda is rich in a wide range of minerals which provide an opportunity to develop a strong mining industry. Preliminary geological surveys indicate the presence of mineral rich tectonic domains within the continental crust, richly endowed with an assortment of minerals with potential for commercial exploitation for over 20 categories of minerals.

The 3rd National Development Plan (NDP III) running from 2020/21 –2024/25 prioritized the development of five (5) categories of minerals, namely; Iron ore, Gold, Copper, Phosphates, and Development Minerals (marble, silica sand, aggregate, and limestone) given the advancement of efforts to ascertain their commercial viability and data availability on the same. Accordingly, there will be continued studies to fully quantify all the other minerals whose occurrences are known.

35+

Sessions

As a partner of the 14th Mineral Wealth Conference your company will be positioned alongside the government, influential businesses and thought leaders shaping integration of mining projects.

Exhibiting and sponsoring provides access to the following opportunities:

Launch products & showcase innovations

Take advantage of an attendee list composed of industry decision makers, government and influencers seeking the latest business enhancing and development of Uganda's mining sector.

Drive new business

An opportunity to expand your business into the mining markets and related sectors. By engaging with this platform tailor-made to develop new business alliances, your organisation can transform potential into tangible success

Brand Awareness

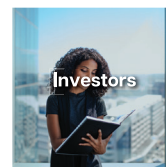

The mining sector knows no boundaries at MWC you will be engaging a local and regional audience and exhibitor base from around the world. Over 15+ countries are expected to be represented ensuring a vibrant event.

Expanded networking

A great opportunity to create new partnerships, build on existing relationships, and capitalise on growth opportunities. MWC allows you to demonstrate your business innovation expertise, offering high-level networking and thought-leadership opportunities across the two-day event.

Featured sectors

Below is a preview of the types of industry you can expect to see at this year's 14th Annual Mineral Wealth Conference

MINERAL WEALTH CONFERENCE

24-25 SEPTEMBER 2025 | KAMPALA | UGANDA

The Chief Guest at the 13th Annual
Mineral Wealth Conference,

RT. Hon. Thomas Tayebwa

The Deputy Speaker of the
Parliament of the Republic of
Uganda.

Get Involved

Networking & Gala Dinner

Throughout the 14th Mineral Wealth Conference we recognise the importance of networking.

That's why we've woven extended coffee breaks and lunches into our program. These breaks ensure you have ample time to connect with the right people without missing any key sessions.

Secure your sponsorship spot to host one of these networking opportunities.

Leadership Roundtables

The conference two exceptional categories of Executive Meeting Suites for your exclusive use.

These meeting suites provide a private and conducive environment for important discussions, away from the exhibition buzz. As a meeting suite holder, you and your invited guests will enjoy VIP catering and hospitality, ensuring a seamless experience.
