**The University Vision:** A centre of academic and professional excellence in science, technology and innovation

## PhD Studentship

An opportunity has arisen for a three (3) years PhD studentship within the faculty of Engineering & Technology at Buistema University. According to the programme, doctoral students may engage in teaching as their director of studies may determinine from time to time, or other research administrative duties and receive some nominal consideration.

### **The subject for the reasearch: OPTIMIZATION OF RESISTANCE SPOT WELDING PARAMETERS**

Applicants must be Ugandan or East African Community nationals and should hold a first or upper-second class honours degree or equivalent in mechanical or manufacturing degree from a recognised University. A Master's degree in one of the above fields would be advantageous.

Applicants should submit their CV and a cover letter, including full contact details of two referees one must be an academic, to the faculty registrar (Mr. Lucas Okwalinga, email: [okwax1@gmail.com](mailto:okwax1@gmail.com)) or apply online. Shortlisted applicants will be invited for interview. Busitema University is an equal opportunity employer. For further information please contact Prof. Titus B. Watmon, Email: [watmonbt.eng@busitema.ac.ug](mailto:watmonbt.eng@busitema.ac.ug) / [btwatmon@gmail.com](mailto:btwatmon@gmail.com).

Closing date: Friday 31st May 2024, 17:00 hrs
